You can get the coupon by scan QR codes below:

The banner for Airy DVD Clone features a QR code on the left, a large 'SALE Dec 2023' badge, and a prominent '32% OFF' badge. The central image shows a screenshot of the DvdVideoTool website, which displays a comparison between Windows 10 and Ubuntu Linux. The website header includes navigation links for Home, About, Contact, and Features. The main content area has a heading 'Windows vs. vsOS Compared' and a sub-heading 'Why you should choose Ubuntu over Windows'. The Ubuntu section highlights its benefits, such as being free, secure, and easy to use. A 'Recent Posts' section is visible at the bottom of the screenshot. At the bottom of the banner, a text box provides the URL to claim the discount: <https://www.trackedcoupon.com/c300634012-1206358-dec>.
