You can get the coupon by scan QR codes below:

The banner is a dark-themed promotional graphic for the game 'Black Moon Chronicles PC'. At the top center, the title 'Black Moon Chronicles PC' is displayed in a white, serif font. On the left side, there is a square QR code. Below the QR code, the word 'SALE' is written in large, bold, orange letters, with '— Dec 2023 —' underneath it. On the right side, a red and yellow 3D-style tag features the text '15% OFF' in white. The central part of the banner shows a character card for the 'Balgator'. The card includes a black and white illustration of a winged, bat-like creature. To the right of the illustration, there is text describing the creature: 'The balgator is a powerful demon that spreads death where it passes. It is called up by a necromancer to carry out important missions. It is also a formidable fighter using its immense physical capacities and powerful spells to conquer its enemies. However, the balgator's loyalty is unreliable because it is a demon.' Below this text, the card lists 'Characteristics' with the following stats: 'Morale: B', 'Life points: 1500', 'Power: 222', and 'Weapon: Balls of fire, Spells'. At the bottom left of the banner, a small white text line reads 'Claim discount at <https://www.trackedcoupon.com/c200277217-41319-dec>'.
