The screenshot shows the HelpNDoc Professional Edition software interface. The main window displays the 'helpndoc' logo and a description: 'HelpNDoc is an easy to use yet powerful and intuitive help authoring environment which provides a clear and efficient user interface to generate most popular CHM help files, single-page HTML-based documentation, PDF and Word documents, ePub and Kindle eBooks as well as Qt help files from a single source without worrying about the inner workings of help file generation. Its help documentation is designed so you can quickly learn HelpNDoc as a new user or well-serve your knowledge with regular users.' The interface includes a menu bar, a toolbar, and a sidebar with various project and document management options.
