helpndoc
HelpNDoc is an easy to use yet powerful and intuitive help authoring environment which provides a clear and efficient user interface to support most existing CHM help files, including WMF based files, Microsoft Word documents, ePub and Kindle eBooks as well as ODT help files from a single source without worrying about the inner workings of help file generation. The help documentation is designed so you can quickly learn HelpNDoc as a new user or will refresh your knowledge when you require it.
