You can get the coupon by scan QR codes below:

The advertisement features a QR code on the left, a central screenshot of the Oracle-to-MySQL website, and a large purple pentagon with '51% OFF' in yellow. The website screenshot shows the 'INTELLIGENT CONVERTERS' logo and navigation menu. Below the navigation, it says 'Solutions for Database Migration and Synchronization'. Three key features are listed: 'All Popular Databases' (PostgreSQL, MySQL, Oracle, etc.), 'Scale & Compressible' (Automatic table mapping, support for various data compression, mapping, etc.), and 'High Performance' (Converts data in parallel with 100% accuracy). At the bottom, it says 'Recent releases' and lists several versions. A URL at the bottom reads: 'Claim discount at <https://www.trackedcoupon.com/c5160-18-dec>'.
