Verbose is a text to speech program which will read about any text or save it as mp3. After you have installed the text reading software you can assign a spoken voice text box. Then whenever you want to hear the text on your screen just push that box and the software will read it aloud. Verbose can also save your text documents or emails to mp3 or save for you to store them on your Pocket PC or MP3 player, such as an iPod, so you can listen to them on your way home.

listen from your computer or save as mp3 to playback later.  
Listen on your portable mp3 player.  
Burn to CD and listen from a CD player or in your car.  
Listen from an mp3 compatible mobile phone, Palm PC or Blackberry.
